

The Florida Swim School Staff

## What to expect at swim lessons?

- Students will be taught by a caring and knowledgeable swimming expert.
- Parents of crying children will be invited to join the class.
- Learning to swim is a process and needs to be practiced regularly to be effective.
- As children develop physiologically, swimming skills will be introduced accordingly.
- Teachers will continue to gain your child's trust during each class.

## Who We are

Florida Swim School teaches the life-saving skill of swimming in a safe environment using a nurturing method that builds confidence.

## Water Safety Tips

- Learn to swim!
- Never swim alone
- Follow pool rules

*Learning to swim is a necessity,  
not a luxury.*

Drowning is the leading cause of accidental death in children ages 5 and under and the second leading cause of accidental death in children 14 and under.

– American Institute for Preventative Medicine

Florida Swim School Team Members are passionate about teaching swimming. Our goal is for each student to become safer in water and enjoy swimming.

*Over 50 years  
combined experience!*

*“Florida Swim School taught my (very resistant) first child to swim and learn to love the water, miracle workers indeed!”*

*“My daughter, now 6, learned to swim with Florida Swim School when she was 2 and I could not have been happier to know she was water safe at such a young age.”*
